Healthy Rewards is a discount program. Some Healthy Rewards programs are not available in all states. If your plan includes coverage for any of these services, this program is in addition to, not instead of, your plan benefits. Healthy Rewards programs are separate from your medical benefits. A discount program is NOT insurance, and the member must pay the entire discounted charge.

All Cigna products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company, Connecticut General Life Insurance Company, and Cigna Behavioral Health, Inc. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc. All models are used for illustrative purposes only.

Introduction

WHO WE ARE

- **Cigna** strives to keep you healthy. We are committed to giving you access to tools and resources to help you make informed health care decisions and live a healthier and secure life.

- **We are where you are.** Cigna has a national presence, but we also have a local focus in most areas. This means local medical directors and health services representatives work to provide you with access to quality care.

WHAT YOU CAN EXPECT

- **Convenient access to quality health care.** Before joining the Cigna network, health care providers must meet Cigna standards through a process called credentialing. We regularly review credentials to help ensure they continue to meet these standards.

- **Responsive customer service.** Whether on our website, www.cigna.com, by phone when you talk to a representative or through our automated telephone system, you have access to consistent and timely information about your plan – when it’s convenient for you.

ABOUT THIS DIRECTORY

The following is a list of doctors, facilities and other health care providers in this area who are in the Cigna network. An updated listing is always available at our public site www.cigna.com, and for current Cigna customers at www.mycigna.com. You can use our online directory to:

- search for in-network providers: physicians, hospitals and other health care professionals and facilities.

- download your own personalized directory to have on hand when you need it.

Current customers can also find hospital scores for specific conditions/procedures through Cigna “Centers of Excellence” at www.mycigna.com.

The online directory is updated often, so visit it often. Some providers may have been added or removed from a network after this directory was printed. We do not guarantee that each provider is still accepting new patients. To get the most up-to-date information about the in-network providers in your area, use our online directory (www.cigna.com or www.mycigna.com ) or call Cigna Customer Service at the toll-free number on the back of your Cigna ID card. Also, please check with the provider before scheduling your appointment or receiving services to confirm he or she is in Cigna’s network.
YOUR CIGNA ID CARD

■ You receive your Cigna ID card after you enroll.

■ Keep your Cigna ID card with you at all times. Show it whenever you visit a health care provider or facility.

■ Always check your Cigna ID card for help finding the name of your Cigna network and benefit plan to identify the health care providers that are in-network for your plan.

WORKING WITH YOUR DOCTOR

We encourage you to choose a primary care physician (PCP) to be your personal doctor.

■ Your personal doctor can serve as a “home base” for basic care – your source for advice and direction.

■ Your doctor may need to get preauthorization for certain outpatient procedures, diagnostic testing and inpatient admissions.

■ Your personal doctor also coordinates your care - from preventive checkups and routine medical care to specialized care and hospitalizations.

■ For women’s health care, referrals are not needed for visits to in-network OB/GYNs for covered obstetrical or gynecological services.

The listing of a provider in this directory does not guarantee that the services provided by that provider are covered under your specific medical plan. Check the materials which describe your particular plan benefits, or call Cigna Customer Service, for information about the services covered under your plan benefits. If you have questions or need assistance, please contact Customer Service at the toll-free telephone number listed in your enrollment materials or on your Cigna ID card.

Visit www.cigna.com, or www.mycigna.com for current customers, to search for in-network providers. You can also find more information on health topics, preventive care and learn more about your plan’s benefits and programs.
LANGUAGE ASSISTANCE

If you have difficulty understanding English, we offer language assistance and interpretation services at no cost to you. For help, please call the Customer Service number on the back of your ID card. If you do not have or are unable to locate your ID card, please call 1.800.244.6224.

If you have hearing or speech loss and use Telecommunications Relay Services (TRS) or a TextTelephone (TTY), dial 711 to connect with a TRS operator.

Si le cuesta comunicarse en inglés, ofrecemos asistencia de idioma y servicios de interpretación sin costo alguno para usted. Para obtener ayuda, comuníquese con el número de Servicio al cliente que figura en la parte de atrás de su tarjeta de identificación. Si usted no tiene o no puede encontrar su tarjeta de identificación, llame al 1.800.244.6224. Si tiene algún impedimento auditivo o del habla y desea usar el servicio de retransmisión de telecomunicaciones (TRS, por sus siglas en inglés) o un teléfono de texto (TTY, por sus siglas en inglés), marque 711 para comunicarse con un operador del TRS.

YOUR SUMMARY OF BENEFITS

Your Summary of Benefits gives you important information on the medical benefits and other types of services your plan covers. You should read your plan documents to determine whether you have prescription drug coverage, coverage for mental health and substance abuse, and/or vision care coverage as a part of your Cigna plan.
IN-NETWORK VS. OUT-OF-NETWORK HEALTH CARE PROVIDERS

In-Network Costs:

Selecting an in-network provider can reduce your out-of-pocket costs. That means other than your copayment, deductible or coinsurance amounts you should not be responsible for any costs for covered services when you receive them from an in-network provider. In-network providers should not bill you for any other costs for covered services or require you to pay any difference between their billed charges and what Cigna has paid them per their contract. If they do, this is called balance billing. You should not experience balance billing from an in-network provider for any covered service. The copayment, deductible or coinsurance is not considered balance billing.

Out-of-Network Costs:

If your plan includes out-of-network benefits, your out-of-pocket costs may be higher for covered services from an out-of-network provider than if you had selected an in-network provider. If your plan does not include out-of-network coverage, the provider may bill you directly for the full cost of services and you will be responsible for the full costs except in the case of emergency services.

Change in your Provider’s Network Status and your Impacts:

It is important to check that your provider is still in your plan’s network before receiving care. If your provider is no longer in-network, you may be subject to the same out-of-pocket, out-of-network costs described above. If you are currently being treated for specific ongoing conditions or are pregnant, continuity of care coverage may be considered for a defined period of time. You must apply for continuity of care using the Continuity of Care/Transition of Care Request Form. Please check your benefit plan description or call the Cigna Customer Service at the toll-free number on the back of your Cigna ID card.

Out-of-Network Reimbursement:

Payments made to providers not in your Cigna network are in line with industry standards and are based on: the provider’s charges, comparison of charges by other similar providers, and the fees typically paid to an in-network provider, for the same type of covered service in the same geographic region and Medicare reimbursement rates. The fee paid to an out-of-network provider by Cigna is considered to be the Maximum Reimbursable Charge. The out-of-network provider may bill you the difference between their charge and the Maximum Reimbursable Charge in addition to applicable deductibles, copayments and coinsurance.

PROVIDERS AT IN-NETWORK FACILITIES:

Health care services may be provided to you at an in-network health care facility by facility-based providers (such as anesthesiologist, radiologists, and laboratories) who are not in your plan’s network. You may be responsible for paying all or part of the costs for those out-of-network services in addition to applicable amounts due for copayments, coinsurance, deductibles and non-covered services. For more information or to determine if a provider is in-network, please call Cigna Customer Service at the toll-free number on the back of your Cigna ID card.
Cigna LifeSOURCE Transplant Network®

As a Cigna customer, you’ll have access to the Cigna LifeSOURCE Transplant Network®. It is a network of organ and tissue transplant centers. Developed by a team of Cigna clinical professionals, the transplant network includes respected hospitals and medical centers throughout the country.

Cigna LifeSOURCE contracts with select independent transplant facilities that are nationally recognized for their quality care. We have more than 165 facilities in our network to provide access to transplant programs coast to coast. Each Cigna LifeSOURCE program is carefully chosen to participate in the Cigna LifeSOURCE Transplant Network and must continue to meet our established quality standards. All programs must maintain minimum volumes, designated patient and graft survival outcomes, appropriate designations, and show expertise in managing individuals on the waiting lists.

Individuals that may need a transplant are assigned to one of our nurse case managers in our transplant case management unit. They have clinical experience in transplant, hematology/oncology, home health care, dialysis, critical care plus community care. They are specially trained to manage complex transplant cases.

Help from the Transplant Case Management Unit includes:

- Clinical relationship with doctors
- Consistency in service and coverage administration
- Dedicated resources for complex areas of medicine
- Helping you understand your choices
- Administrative streamlining

Respected Hospitals and Medical Centers Throughout the United States

In some instances a travel benefit is offered as a feature of the program. Your case manager can tell you if you are eligible for this benefit.

As a Cigna customer, you can have access to these services when they are handled through your doctor and your transplant case manager.

You may not receive the in-network level of coverage for all types of transplants at all hospitals. In addition, our network of locations changes frequently. For the most current listings with the programs covered at the in-network coverage level, please visit www.cignalifesource.com or call Cigna LifeSOURCE Customer Service at 800.668.9682.

Not all programs at a Cigna LifeSOURCE Transplant Network medical center are available to customers in all plans. Please call Customer Service at 800.668.9682 for more information. If you are already in transplant case management, please call your case manager directly.

Health Care Provider Compensation

Cigna is committed to keeping you informed about matters related to your health care plan. For that reason, we offer the following description of the way that Cigna compensates health care providers (physicians, hospitals and other health care practitioners and facilities) that are in our networks.

Cigna compensates providers in ways that are intended to emphasize preventive care, promote quality care and ensure the appropriate and cost-effective use of covered medical services and supplies. Cigna reinforces this philosophy through utilization management decisions made by its medical directors and medical management staff. Cigna employees are encouraged to promote appropriate utilization of covered health care services and to discourage underutilization.

The methods by which in-network providers agree to be compensated are described generally here. The amount and type of compensation a provider agrees to accept may vary depending upon the type of plan. For example, a hospital may agree to accept less for services provided to patients enrolled in an HMO plan than to patients enrolled in other types of plans. In addition, Cigna may attempt in various ways to promote the use of in-network providers based upon quality and cost-effectiveness measures while assuring quality and access to covered services and supplies.

DISCOUNTED FEE FOR SERVICE:
Payment for services is based on an agreed-upon discounted amount from the provider’s bill.

CAPITATION:
By mutual agreement, network physicians, physician/hospital organizations (PHOs) or other health care provider groups are paid a fixed amount (capitation) at regular intervals for each individual assigned to the physician, PHO or other provider groups, whether or not services are provided. This payment covers physician and/or, where applicable, hospital or other services covered under the benefits plan. Provider groups and PHOs may in turn compensate health care providers using a variety of methods.

Capitation can offer providers a predictable income, encourage physicians to keep people well through preventive care, eliminate the financial incentive to provide services that will not benefit the patient and reduce paperwork.

Cigna may also work with third parties that provide network management services. Under these arrangements, Cigna pays the third party a fixed monthly amount per individual for these services. Health care providers are compensated by the third party for services provided to Cigna plan participants from the fixed amount.

Compensation arrangements are agreed upon by the third parties and their contracted health care providers, and may include discounted fee for service and capitation.

Some providers and third parties that provide network management services may participate in a risk-sharing arrangement with Cigna. They agree on a target amount for the cost of certain services and share all or some of the amount by which costs are over or under the target. Services are monitored using criteria that may include accessiblity, quality of care, customer satisfaction and appropriate and cost-effective use of medical services and supplies.

SALARY:
Physicians and other health care providers who are employed to work in Cigna’s Arizona staff-model medical facility are paid a salary. The salary is decided in advance each year and is guaranteed regardless of the services provided. Physicians are eligible for a bonus at the end of the year based on performance, which is evaluated using criteria that may include quality of care, quality of service and appropriate and cost-effective use of medical services and supplies.

BONUSES AND INCENTIVES:
Some health care providers may receive additional payments based on their performance, which is measured using criteria that may include quality of care, quality of service and appropriate and cost-effective use of medical services and supplies. Providers may also receive financial and/or nonfinancial incentives that promote utilization of cost-effective in-network providers (such as hospitals, labs, specialists and vendors) and covered drugs and supplies.

PER DIEM:
A specific amount is paid to a hospital per day for all health care received. The per diem payment may vary by type of service and length of stay and the payment may in some cases be greater than the hospital’s normal billed charges.

CASE RATE:
A specific amount is paid for all health care received in the hospital for a given hospital stay (such as for a normal maternity delivery).

If you would like to find out which compensation method applies to services you receive from a provider, just ask the doctor’s administrative staff. Cigna Customer Service is available to help with general questions at the toll-free telephone number on your Cigna ID card.
How to Read the Physician Listing

The following physicians are in the Cigna Open Access Plus network. If you choose to designate a personal primary care physician, you may do so only if the physician has an Enrollment Number listed under his or her name and is accepting new patients.

Example:

Arkansas ....................... Alphabetical listing by state
CRITTENDEN COUNTY ......... Alphabetical listing by county
ADULT NURSE PRACTITIONER
PRIMARY CARE .................. Alphabetical listing by specialty
Smith, John, MD ★ ● ............ Physician’s name and degree
Age 10 and over .................. Age restriction
Medical Group ..................... Group affiliation
123 A Street ....................... Street address
Town, State 00000 ............... City, state, zip code
(123) 456-7890 .................... Office phone number
Other Language(s) Spoken ......... Other Languages Spoken by Provider or Office Staff
Hospital Affiliation ............... Affiliation with Cigna in-network Hospital(s)

The physicians listed in this directory are independent contractors. They are not the agents nor employees of, nor under the control of any Cigna company.

Participation by health care providers or physicians listed in this directory is not guaranteed and may be subject to change. Please ask your doctor whether he/she is still in the network or call Customer Service.

★ Board Certified
● Accepting current patients only
Primary Care Physicians

The following physicians are in the Cigna Open Access Plus network. If you choose to designate a primary care physician, you may do so only if the physician has an Enrollment Number listed under his or her name and is accepting new patients.

Please note that the text provided includes a table of medical providers with their areas of specialty, contact information, and languages spoken. The text is formatted in a way that makes it easy to read and understand, with clear headings and organized sections. The language used is primarily English, with some providers listed in multiple languages. The text also includes information about the languages spoken by providers or office staff, which can be useful for patients who need to communicate in a particular language.

Healthy Rewards is a discount program. Some Healthy Rewards programs are not available in all states. If your plan includes coverage for any of these services, this program is in addition to, not instead of, your plan benefits. Healthy Rewards programs are separate from your medical benefits. A discount program is NOT insurance, and the member must pay the entire discounted charge.

All Cigna products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company, Connecticut General Life Insurance Company, and Cigna Behavioral Health, Inc. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc. All models are used for illustrative purposes only.

Together, all the way.®

Offered by: Cigna Health and Life Insurance Company, Connecticut General Life Insurance Company or their affiliates.
